Ramsay Health Plus Physiotherapy

Our Physiotherapists are experts in helping people get back on track following, or as a result of injury, illness, disability or surgery. We have many treatment techniques available to assist you in reaching your maximal potential and treatment goals.

One on one, with a team member of our highly skilled clinicians, we aim to facilitate your recovery and enable you to stay functional and remain independent for as long as possible.

Treatment techniques commonly used

- Exercise prescription
- Education and injury management advice
- Hands on treatment such as joint and soft tissue mobilisations
- Dry needling and Acupuncture
- Hydrotherapy
- Trigger point therapy

Commonly treated conditions

- Lower back and neck pain
- Sciatica
- Sports injuries
- Sprains and strains
- Joint and Arthritic pain
- Post-surgical orthopaedic rehabilitation following knee, hip and shoulder replacements and reconstructions.
- Chronic pain
- Tendinopathy

Why choose Ramsay Health Plus?

- Experienced team of Health Professionals so you know your treatment is in safe hands
- Individually designed treatment tailored to meet the needs of each client
- Prevention, treatment and long term management of a wide range of health and medical conditions

- Advice and assistance to transition back into community roles and life after illness or injury
- Superior facilities including a heated hydrotherapy pool and fully equipped gymnasium
- Access to multiple Allied Health services in one convenient location at Beleura Private Hospital

How to access services

No referral required. Casual appointments available.
